CHAMBER OFFERS MEMBERS A CHANCE TO CONNECT WITH BUSINESS COMMUNITY

WEST HARTFORD, CT – The West Hartford Chamber of Commerce kicked off their Annual Membership Drive on January 10th. The campaign runs through February 18th and offers new members the opportunity to get involved as soon as they join. Each new member will receive Event Passes good for upcoming seminars and speaker programs.

The West Hartford Chamber is over six hundred members strong and offers many networking events, seminars, and exclusive discounts. “Chamber Membership has resulted in many new connections for my business and for me personally,” boasted long-time member Julianne Roth, President of Companions for Living, a home healthcare agency located in West Hartford. “Joining the West Hartford Chamber opens the line of communication with the West Hartford Business Community. It is an invaluable resource for any entrepreneur.”

With over 60 events each year, business owners can maximize their membership and increase their own output. Upcoming event topics include the art of negotiation, eliminating unpaid consulting, and small business financing.
