

WIRELESS ZONE CELEBRATES NEW LOCATION WITH WEST HARTFORD CHAMBER & TOWN OFFICIALS

The West Hartford Chamber of Commerce and Town Officials recently welcomed Wireless Zone to their new location at 740 North Main Street, in West Hartford. Wireless Zone's staff, colleagues, and friends were in attendance to celebrate with a ceremonial ribbon cutting lead by Deputy Mayor Tim Brennan. The Ribbon Cutting Ceremony for the Wireless Zone Store of West Hartford was a most heartwarming event and it seems clear that JNC Management LLC has chosen the perfect town to open its doors in. The event was presided over by Deputy Mayor Brennan, and was well attended by local dignitaries, Chamber members, members of our parent company Verizon and our franchise Wireless Zone. But the most important people attending the event were the friendly faces of the West Hartford community with their good wishes for a long and thriving relationship. Jeff Pannella of Wireless Zone and Barbara Schofield, Marketing Manager for JNC Management, spoke and thanked the audience for their vote of support. "Thank you West Hartford, we look forward to serving all your wireless needs for years to come" said Barbara Schofield.
